Gerbrich wants to see you this week.

Thomas Neal, who had his throat slashed by Elzie Huron, was able to be up town Saturday.

James Smith, colored, who died on Hord's Hill, was insured with Colonel Rosenham for about \$150.

On September 1st Rev. M. R. Delaney of the Mayslick Catholic Church will be transferred to St. Paul's, Lexington.

A two-year-old son of Mr. and Mrs. David Low of Lexington street died yesterday and was buried this morning.

The excursion over the C. and O. to Cincinnati yesterday was one of the largest of the season. There were twelve coaches and all filled. This city contributed 211.

James Smith, colored, died at 10 o'clock last night at his home on Hord's Hill. The funeral services will be from the Colored M. E. Church tomorrow afternoon at 2 o'clock.

We are showing just now an unusually fine line of Diamonds at prices that will suit the purchaser. See us when you need a watch; our watches are perfect timekeepers.

MURPHY, the Jeweler.

The eighty-fourth session of the Kentucky Conference of the Methodist Episcopal Church, South, will convene in the Hill Street Methodist Church, Lexington, Wednesday, Bishop A. Coke Smith of Virginia, presiding. Dr. C. F. Evans leaves for Lexington today.

For September Collector Roberts has made these assignments for Maysville: L. M. Gaffin, Gauging at H. E. Pogue, rectifier; H. G. Holiday, Oscar Grigsby, F. M. Harting and L. M. Gaffin at H. E. Pogue Distillery Co.; W. F. Schooler at Poyntz Bros.; P. D. Wells at J. H. Rogers & Co.

Colonel W. W. Baldwin attended the German-town Fair Saturday, and of the thousands present none received a more hearty welcome. Had he remained he might have joined the processional march around the ring of those who were present at the opening of the Fair fifty years ago. The venerable Colonel has done as much as any citizen to promote the interest of stock raising in the county.

The Lizzie Bay and Kanawha rounded out from the wharf yesterday evening about the same time and it was nip and tuck between the two as long as they remained in sight. The race was quite a diversion to the large number who lined the bank and witnessed it. In antebellum days such sights were of daily and nightly occurrence with boats, such as the Kenton, Boone, Allegheny, Pittsburgh, Alvin Adams, Boston, Bostona and numbers of others that might be named.

Yesterday morning Mrs. Adams and children were coming to Church in a buggy and when descending the incline in West Third street the tug holding the backing strap broke, the horse began kicking and running and the occupants began screaming and for a time it looked like a serious mishap would happen. Fortunately Mr. George Wood and Jeff Clayton succeeded in stopping the frightened and running horse in front of the Jail. It was a narrow escape from serious injury.

ABERDEEN TOUGHS

Party of Over-the-River Negroes Raise a Row Here

Last night Alex Johnson, Pat Maley and William Johnson were sitting on the viaduct at the foot of Market street.

Five bad Aberdeen Negroes approached them and asked for a chew of tobacco. Maley replied that he didn't have any. One of the colored men said—"You son of a b—h, I didn't ask you," and immediately proceeded to do them up.

Maley and Johnson were knocked down and were being badly handled when officer Harry Ort, who happened to be in Doc Wallace's Manhattan Restaurant, appeared on the scene.

He captured Charley Cheeks, and being in the possession of an officer is the only thing that saved him from being hung to the viaduct.

The other four made their escape to the other side of the river.

Cheeks is wanted by the Aberdeen authorities for cutting with the intent to kill.

It will be a sorry day for them if they are caught in this city soon.

They pride themselves on being very bad Niggers.

Robert King caught a catfish in a set net opposite the Dadsen Elevators at the Lower Grade yesterday that weighed 55 pounds.

Rev. R. H. Dodson passed through here Saturday en route to his home at Bethel, O. He was returning from Millersburg, where he had been called by the illness of a member of his family who was visiting his mother at that place. Rev. Dodson is a cousin of M. B. Dodson, the gentlemanly Night Clerk at the New Central.

CAPTAIN JACOB MILLER.

Jacob Miller was born in Wurtemberg, Germany, May 2d, 1819, and died at his home in East Fourth street, this city, at 9 o'clock yesterday morning, after a protracted and painful illness.

When eleven years old he came with his parents to this country, landing at Baltimore in 1830, the family going direct to Beaver county, Pa., where he learned the trade of carpenter. This task finished he went out into the world to win his own way, and from 1838 to 1842 he was in the then Republic of Texas, a part of the time in its military service.

Returning home, July 13th, 1843, he married Miss Freelove Cox, and for nearly sixty years they trod life's pathway together—a devoted, happy pair.—Mrs. Miller dying a year or so ago.

To them were born eight children, four of whom survive—Jacob L. of Augusta, Mrs. Maggie D. Slusser and Charles F. Miller of Cincinnati, and Mrs. Annie E. Means of this city.

In 1848 Mr. Miller made Maysville his home, and here he lived a life that has left its impress on all who were fortunate in his acquaintance and association.

Although born under a foreign flag, no American was more truly loyal than he; and when the storm broke in '61, profiting by his military experience in Texas, in July of that year he recruited a company of volunteers for the Union, which became Company C, Sixteenth Kentucky. With his command he shared in the battles of Ivy Mountain and Marrowbone in Kentucky; Kingston, Mossy Creek and Franklin in Tennessee; Resaca and the battles of the Atlanta Campaign in Georgia,—commanding his Regiment in the bloody fray at Franklin, winning highest praise from his General for heroic endeavor and brilliant achievement.

February 9th, 1865, his term of service having expired, he was mustered out at Fort Fisher, N. C., returning to his family and to the pursuits of peace.

For sixteen years Captain Miller was a member of the Fiscal Court; and Mason county never had a more conscientious official.

He was a Mason, an Oddfellow, a member of the German Relief Society and the G. A. R.; but, above all, he was a Christian—a zealous member of the Third Street M. E. Church, a licensed Minister who frequently preached to his countrymen in the tongue of Fatherland.

The funeral will occur from the Third Street M. E. Church at 2:30 tomorrow afternoon, under auspices of Ringgold Lodge, I. O. O. F., Rev. M. A. Banker conducting the religious service.

The pallbearers, chosen by Captain Miller himself, will be Isaac M. Lane, Thomas A. Davis, M. C. Hutchins, H. L. Newell, William H. Cox and Henry Dersch.

Interment at Maysville Cemetery; and Mother Earth will never enshroud a more unselfish heart than his.

THOMAS A. JOHNSON.

Captain Thomas A. Johnson, for many years connected with the C. and O. Railway, and for some time past in charge of the train between Garrison and Carter City, died at 11 o'clock last night at the former place, aged 62.

He was stricken with paralysis of the brain on Friday and never recovered consciousness.

Captain Johnson was a Knight Templar, one of the most popular gentlemen in the railway service, and had a host of friends in this city.

His remains will be brought here today and taken to his home at Carlisle, where the funeral will occur at 3 o'clock tomorrow afternoon.

MRS. OLLIE MCCARTHEY.

Mrs. Ollie McCarthy, daughter of Mr. J. S. Trigg of Murphysville, died at the home of her father yesterday morning at 11 o'clock.

She was born September 7th, 1864.

The funeral will take place at 10 o'clock tomorrow morning from Shannon Church.

Moses Feltner, wanted in Breathitt county for killing Jesse Fields, was arrested at Winchester.

John C. Lansdowne was stabbed to death at Covington by John Lieberth, it is alleged, Lieberth mistaking him for his brother, Wallace Lansdowne. Lieberth is a brother of George Lieberth, Collector of Internal Revenue in the Covington District.

Rev. Father Anton Goebel, who has been Assistant Pastor at St. Paul's Catholic Church in Lexington for some time, has been promoted to the pastorate of St. Augustin's Church, at Augusta, taking charge September 1st.

The L. and N. statement for the third week of August shows the first real increase in earnings of the fiscal year. The total was \$701,575, \$21,410 more than for the same period last year. For the three weeks of August the increase has been \$16,400, but the decrease for the year is \$164,451.69.

BLACK Dress Goods YOU WANT.

Help yourself to them, we've made things as easy as possible for you in the shape of very low prices. Scan the list, you save a quarter here, a third there, in some cases a half—and it's all on fine Black Dress Goods that will work into the prettiest of gowns for Autumn wear.

These opportunities:

- \$1 Granite 75c.
- \$1 Voile 75c.
- \$1 Figured Mohair 75c.
- \$1.50 Crepe Etamine \$1.
- \$2 Crepe de Paris \$1.50.

Pure Linen Handkerchiefs 8½c and 15c.

Two very conventional prices you'll say. Exactly, but the unconventional, the unusual part lies in the high quality handkerchiefs these prices will buy. We accomplished it by ordering one hundred dozen from one concern—an immense quantity for a house this size. Still there'll hardly be enough handkerchiefs to go round—in half and in one dozen lots—if women value this opportunity as they should.

The handkerchiefs are pure linen—the 8½c quality has neat hemstitched hems in narrow or medium widths—the 15c quality is sheer linen prettily embroidered.

The Republicans of the Ninth Congressional District are hereby respectfully called to meet in delegated Convention in the city of Cynthiana, Ky., on Thursday, September 15th, 1904, at 1 o'clock p. m., for the purpose of nominating a Republican candidate for Congress for said District.

J. B. BENNETT, Chairman Ninth District.
John D. Littlejohn, District Secretary.

The policy of Protection has preserved the American market for the products of American manufacturers, and American manufacturers have made markets for the products of American farmers, and together they have established a high standard of American living and made possible the high scale of American wages.

SOME idea of the cost of modern warfare can be arrived at by taking a Japanese warship like the Kasuga or Nysshin and calculating the number of shot she would discharge. The first-named ship carries four cannon which cost \$30,000 each. One of these guns can fire two shots per minute, and every shot costs \$400; thus in five minutes these four cannon can discharge forty bombs at a cost of \$16,000. The smaller cannon cost each \$18,000, and every shot they fire means an expenditure of \$70. They are very rapid, and it is estimated that in five minutes the twelve cannon could discharge shot to the value of nearly \$35,000.

It looks very much like the Chicago butcher men are "losing out" on their strike.

THIS looks like business. The Hon. RICHARD P. ERNST, Chairman of the Republican State Central Committee, has addressed the following letter to Mr. D. C. EDWARDS and to Dr. W. GODFREY HUNTER, claimants to the Congressional nomination in the Eleventh District—

"COVINGTON, Ky., August 24th, 1904.—Dear Sir: The condition of affairs in the Republican party in the Eleventh District, growing out of the contest for the nomination for Congress, is causing great and constantly increasing concern, not only to the Republicans of that District, but throughout the entire state of Kentucky, and demands prompt and decisive action.

"It is absolutely essential to the highest interests of the Republican party in Kentucky that an early decision shall be reached in regard to the nomination, and that such decision, made after due investigation, shall command the respect and confidence of the Republicans throughout the Commonwealth.

"It is understood that each of the candidates has expressed a desire for a hearing before and a decision by the State Central Committee. For the purpose, therefore, of obtaining a full and final hearing, I have called a meeting of the State Central Committee to be held at the Galt House, Louisville, Ky., in the rooms of the Republican Campaign Committee, on Monday, September 5th, 1904, at 2 o'clock p. m.

"You are hereby notified to appear before that Committee at the time stated and requested and directed to bring with you, or to have brought before that Committee, the returns of the primary election lately held to nominate a Republican candidate for Congress in the Eleventh District, and also all other papers and records showing the action taken by the Eleventh District Committee, both prior to and since the holding of the primary election, whether such action was taken by a majority or a minority thereof, and also any and all other evidence you may desire to produce.

"Each of the members of the Eleventh District Congressional Committee has been notified to appear before the State Central Committee at the time and place mentioned. A duplicate of this letter has been sent to the other Republican Congressional candidate from the Eleventh District.

"Kindly answer at once by wire at my expense. Respectfully,
RICHARD P. ERNST,
Chairman State Central Committee."

THE LEDGER hopes most sincerely that the Committee will settle the matter in the true Republican way—by a majority; and that the nomination will be given to the candidate who won it honestly at the polls. Any other course will be criminal.

HEADACHE

"My father had been a sufferer from sick headache for the last twenty-five years and never found any relief until he began taking Cascarets. Since he has begun taking Cascarets he has never had the headache. They have entirely cured him. Cascarets do what you recommend them to do. I will give you the privilege of using his name."

UGHT TO SEE THEM

The Handsomest Calendars Ever Shown in This City

The business man who spends his money in Maysville, simply puts that money into the hands of people who will in turn spend it with him again.

Did you ever think of that?
The business man who spends his money for printing in Louisville, or Cincinnati, or Chicago, or New York, puts that money into the hands of people who never did, nor ever will, spend a dollar in his store.

Did you ever think of that?
Now, in order that a good deal of this money may be kept at home, and spent by home workmen and home employers with home merchants, The Ledger Printery has secured the handsomest line of Calendars ever seen in this city, with a price limit to suit every need.

Mr. Richard L. Miles, The Ledger Printery's expert Printer, will call on you in a few days, dazzle your eyes with the beauties and tickle your bank account with the prices.

It is rather hard to get a pure article of civet in the market. On account of the rather limited supply and its corresponding high price, much of it is adulterated with lard, butter, ghee and other greasy substances.

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1909.

MAYSVILLE, KY., MONDAY, AUGUST 29, 1904.

ONE COPY—ONE CENT.

IT IS A MATTER OF HEALTH

Absolutely Pure
THERE IS NO SUBSTITUTE

The Allie Riggs brought a barge containing 1,500 watermelons to this city yesterday. They were grown in Wilson's Bottom.

Kentucky Conference, M. E. Church, South, will begin at Lexington Wednesday. Maysville attendants will be located as follows: Rev. and Mrs. C. F. Evans, with L. G. Cox; W. W. Ball, Reed Hotel; John W. Boulden, with L. L. Smith.

MUST VOTE AGAIN

Sewer Bond Election Was Not According to the Law

The issue and sale of the \$12,000 sewer bonds recently voted by the people of Maysville has been held up temporarily, on the ground that the vote creating such an indebtedness can be taken only at a regular election.

Therefore, the legal machinery of the city is grinding out another ordinance, providing for a vote at the coming November election.

However, work on the sewer will not be delayed.

The city has \$7,000 worth of emergency bonds which are available, and Council will probably order these sold to provide funds to begin the work.

Kentucky saddle horses and thoroughbreds Saturday captured all the prizes offered in the classes in which they showed at the World's Live Stock Exhibition, and her standard-bred and Morgan horses also gave a good account of themselves.

ARRESTED AND RELEASED

The Ohio Authorities Refused to Deliver Elzie Huron

Elzie Huron, who slashed Thomas Neal in such a fearful manner, and who is a fugitive from justice, was arrested back of Aberdeen and brought to town yesterday.

Notwithstanding Constable Rosser, Lawyer John L. Chamberlain and Mr. Wat Neal, father of the wounded young man, were present and made all reasonable propositions, the Ohio officers refused to deliver Huron over to Constable Rosser, saying that the laws of Ohio required a warrant issued by the Governor of Kentucky before they could act in the matter.

Huron was turned loose.

PRETTY HEN STORY

Pet Bantam "Sets" Out to Raise a Crop of Potatoes

The late Mrs. Mary J. Styles of the Sixth Ward had a Bantam hen, a household pet.

Shortly before her death she gave it to her friend and neighbor, Mrs. Maggie Dawson, assured that the fowl would be well cared for.

About two weeks ago her henship came off the nest with one lone chick, the result of a patient setting.

Last week Mrs. Hen dropped out of sight much to the worry of Mrs. Dawson; but after two days she was found in the coalhouse, holding down six potatoes and the before-mentioned chicken.

She had actually "selected" potatoes from a large pile, choosing those of egg size, and by some means had gotten them into the nest.

This is a true story; but the intent of the hen can be disclosed only by the Woggle Bug.

Mr. George T. Lewis, one of The Ledger's subscribers, died a few days ago at Fort Bayard, New Mexico.

Captain Milton Freese, aged 85, one of the best known rivermen in the Central Ohio Valley, is reported near death's door at his home in Louisa. In the 40's he operated a line of steamers on the Ohio and Big Sandy rivers. Captain Freese is the father-in-law of Dr. George W. Wroten, formerly of this city.

THE SIGN OF THE CROSS COMING.

After two years correspondence it has been definitely settled that this famous play will at last be seen in our city. The Sign of the Cross has been a very strong attraction the past seven years in all the larger cities and it has been almost impossible for our local manager to secure this play as the company has never, until this present season, played one night stands. It is needless to say that the theater will be packed when this beautiful play will be presented.

The Rev. T. DeWitt Talmage says—"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprise and community. No power on earth is so strong to build up a town as newspaper advertisers are willing to pay for good printing, no matter where it comes from."

The Maysville Cotton Mills will start up about October 1st. The new machinery will not have been placed before that date.

The Rev. H. T. Musselman of the First Baptist Church preached yesterday at Oakwoods.

The Garnett Marble Company of this city has received the contract for the new river gage. The iron gage on the upper grade is to be replaced by freestone, and the work is to be completed by the end of September. The job has been let to competent workmen, and when completed will be o. k. in every respect.

The noxious odor that emanated from about the water basin on the Esplanade the other morning was attributed to the fact that the Goddess of Liberty, which surmounts the Fountain, had died from inattention and the offensive smell arose from the decomposing body. Another solution was that a rat had taken shelter in the folds of the disfigured and neglected Goddess's nether garments and had starved to death. Whatever may have been the cause, it sent forth a fearful stench.
